SUMMARY

I'm a Java developer with knowledge of OOP, Java, JavaScript and learning new technology is what I'm passionate about.
My goals is to working in a professional environment, where I can prove my skills and use it for the grow of the company. I want to continue to improve myself so I can become a senior developer in about 3-4 years.

- Hue University of Medicine and Pharmacy
- GPA: 2.99/4 (Good)
- Self-taught Frontend development, Java Core,... for about 6 months before I graduated.

PROJECTS

SUPERPIG RESTAURANT MANAGER   04/2021 - 05/2021

Team of 3 (Leader)

A restaurant management system includes an admin page for managing staff's schedules, salary and a point of sale view for cashiers and chefs.

Main responsibilities:
- Collaborate with team to design features, database schema and REST api.
- Setup security with Spring Security and JWT
- Develop a frontend client using React and styling with reactstrap.

KELLO KANBAN   03/2021 - 04/2021

Personal

A kanban base personal project manager application (similar to Trello)

Main works:
- Develop a REST api server using Spring Boot, Spring Data JPA, Spring Security
- Create a frontend with React, Redux and clone a ui similar to Trello with SCSS

Links:
- Deploy: https://kello-kanban.herokuapp.com/
- Server: https://github.com/anhle1476/trello-kanban-spring-boot-server
- Client: https://github.com/anhle1476/trello-kanban-react-client

SPRING SHOP   02/2021 - 03/2021

Personal

Main works:
- Build an e-commerce site with admin pages for the owner and shoping page for the clients using Spring MVC, Spring JDBC, MySQL, JSP, Bootstrap, JQuery

Links:
- Github: https://github.com/anhle1476/spring-shop

MINI MARIO GAME   10/2020 - 10/2020

Personal

Main works:
- Clone the first stage of Super Mario Bros with vanilla JavaScript and HTML Canvas

Links:
- Deploy: https://anhle1476.github.io/mini-mario/
- Github: https://github.com/anhle1476/mini-mario

⭐ ACTIVITIES

BLUE DRAGON CHILDREN'S FOUNDATION   07/2017 - 11/2018

Volunteer

- Supported several programs about preventing child labour, drowning and improving soft skills for children
- Translate for foreign volunteers
